Michiana Jeep Club (MJC) started in January of 2007. With the support of Lochmandy Motors (a authorized Jeep dealership) we wanted to start a Jeep Club to promote the Jeep experience and to find out who we are waving at around Michiana. We are located in Elkhart, IN and reach out to the Michiana area. We are about sharing experiences, knowledge and friendships. You need to be a licensed registered owner of a Jeep brand model. Immediate family members are included in the primary registered membership
